Notes:

1. The Company is engaged in the business of IT & ITeS Services, Global Managed Service Provider and Systems Integrator, offering the entire spectrum of infrastructure solutions and services to clients across 70 countries.
2. The above audited standalone financial results have been prepared in the format specified in Division II of Schedule III of Companies Act, 2013 (the "Statement") and are, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time, amended by the Companies (Indian Accounting Standards) Rules, 2016, prescribed under Section 133 of the Companies Act 2013 ("the Act") read with relevant rules issued thereunder and the other accounting principles generally accepted in India.
3. The above financial results were reviewed by the Audit Committee and approved by the Board of Directors of the Company at their meeting held on May 30, 2025. The statutory auditors have issued modified opinion on the financial results for the quarter and year ended March 31, 2025. The financial results for the quarter and year ended March 31, 2024 were audited by erstwhile statutory auditors.
4. The Company has applied its significant accounting policies in the preparation of these financial results consistent with those followed in the annual financial statements for the year ended March 31, 2024.
5. Certain errors pertaining to prior period balances were identified during the current financial year.These errors have been rectified and accounted in the current financial year. As a result, this has led to non-compliance of requirements of IND-AS 8 "Accounting Policies, Changes in Accounting Estimates and Errors".
6. During the earlier years, the Company had extended a loan to its wholly owned subsidiary, Allied Inc., USA. However, the amount was inadvertently classified under "Investments." This classification error was identified during the current year and the balance has accordingly been reclassified from "Investments" to "Loans and Advances." As a result of this reclassification, a foreign exchange gain of Rs. 5,081 lakh, pertaining to earlier periods, has been recognised in the Statement of Profit and Loss during the current year.
7. During the previous year, the Company did not comply with Ind AS 21 in respect of certain assets and liabilities. As a result, a foreign exchange loss of Rs. 2,048 lakh, has been recognised in the current year due to the rectification of an error relating to foreign currency translation differences pertaining to earlier years.
8. An amount of Rs. 736 lakh has been written back in the current year as a result of rectifying an earlier omission, wherein an amount classified as deferred revenue was inadvertently not accounted for. The same has now been appropriately written back.
9. An amount of Rs. 693 lakh has been adjusted in the current year on account of short/excess depreciation charged in previous periods. This arose from an incorrect estimation of the useful life of certain fixed assets, which has since been corrected.
10. A loss of Rs. 766 lakh arising from the sale of a fixed asset in earlier years had remained unrecognised due to an error. The same has now been accounted for in the current financial year upon identification and rectification of the omission. "The auditor opinion is modified in respect of these matters.
11. The Company is in the process of reconciling a difference of approximately Rs. 610 lakh between the input tax credit (ITC) available as per the GST portal and the ITC recorded in its books of accounts. This reconciliation is currently underway and will be addressed in due course. The auditor opinion is modified in respect of this matter.
12. The Company has extended interest-free loans to certain companies, resulting in non-compliance with Section 186(7) of the Companies Act, 2013, which stipulates that no loan shall be given at an interest rate lower than the prevailing yield of Government Securities corresponding to the tenor of the loan. The outstanding amount as on March 31, 2025, is ₹11,625 lakhs which includes ₹11,000 lakhs to its wholly owned subsidiairy Allied Inc USA on account of reclassifictaion of investment amount to loan and advances, during the previous year."The management is of the view that no interest has been charged on these loans/advances as they were extended to support the working capital requirements, facilitate further investments, and ensure the liquidity of the respective related party companies. The auditor opinion is modified in respect of this matter.
13. As per Ind AS 108 "Operating Segment", segment shall be diclosed in Consolidated financial results. Hence, no separate disclosure has been given in the standalone financial results of the company.
